SECTION 1. RECOGNITION, UNION SECURITY AND JURISDICTION.

(A) The Union claims, and the Employer acknowledges and agrees, that a majority of the Employees have authorized the Union to represent them in collective bargaining. SECTION 5. VACATION - SICK LEAVE FUND.

The Union continuing to improve the quality of life for its members and their families has negotiated a Vacation & Sick Leave Fund effective July 1, 1999 and continuing to June 30, 2006. Effective July 1, 2004, the hourly contribution rate shall be increased to Two Dollars and Seventy Cents (\$2.70). Effective July 1, 2005, the hourly contribution rate shall be increased to Three Dollars (\$3.00).

The days earned under the clause ending June 30, 1999 may be claimed in a cash-out, or may be scheduled to be taken as vacation days in either case by June 30, 2000, under the hourly rate for the contract year July 1, 1998 to June 30, 1999.

The Employer has the managerial right to deny an Employee a vacation during a holiday week. If the Employer grants the Employee's request to take a vacation during a holiday week, such Employee shall thereby waive any right to an extra day's pay.

SECTION 6. COMPANY EQUIPMENT.

For the purpose of providing maximum employment for the Employees of the Employer and for all Employees within the industry-wide collective bargaining unit covered by this Agreement, to the maximum extent permitted by law, and for the further purpose of protecting the job security, wages and other standards of employment established in this industry through collective bargaining from destruction or erosion, it is hereby agreed as follows:

(A) The Employer agrees to retain the number of trucks in each category driven by Employees represented by Local 282 that it owned on June 30, 1978. In addition, an Employer who signs the collective bargaining agreement with Local 282 for the first time after July 1, 1978 will retain the number of trucks owned as of the effective date of its first collective bargaining agreement. Said Employers can buy and sell any number of trucks over the aforementioned number, at the Employer's discretion. In the event economic conditions are such that the trucks owned as of June 30, 1978 or the date of said first collective bargaining agreement (whichever is applicable) are not working for three (3)

continuous months and during said 3 months the Employer has not hired any outside trucks, it shall be considered that the trucks are in excess due to a failing economy and therefore the Employer shall be free to sell such idle trucks. Time during which a truck is not working during inclement weather shall not be counted, nor shall the period of December 15th through March 15th be counted towards said 3-month period.

(B) Any truck sold in accordance with the provisions of paragraph (A) of this Section will result in the number of trucks, which must be retained being reduced, by the number of trucks sold.

(C) Any truck put in the shop for repairs shall be repaired in a reasonable length of time. The Union shall have the right, on complaint of a driver of a violation of this Section, to have an impartial mechanic or Steward check the repairs made on said truck. The Employer shall be held responsible for any days work lost by a driver, in excess of reasonable time needed for repairs on said truck.

(D) The Employer and/or Contractor shall not hire outside trucks or equipment unless all his available suitable trucks and equipment are in use. Thereafter, the Employer and/or Contractor shall hire only from truck or equipment suppliers whose drivers receive wages, working conditions, benefits and standards of employment no less favorable than those contained herein, and who agree to submit any grievance or dispute concerning their compliance with such undertaking to the arbitration procedure set forth in this Section. The Employer and/or Contractor shall notify the Local 282 Welfare, Pension, Annuity, Job Training, and Vacation and Sick Leave Funds, on a weekly basis, of the identity and address of the truck or equipment supplier, the number of trucks supplied and the hours of work involved for each truck. If the Union, by an Officer, by written notice with report of delivery, notifies the Employer and/or Contractor that a truck or equipment supplier is not complying, the Employer and/or Contractor may be responsible for such non-compliance for the period only beginning two (2) working days after the day of receipt of such notice (hereinafter, referred to as the "Notice Date"). Each morning the Employer and/or Contractor shall provide the Shop Steward with a list of trucks hired for that day. Said list shall be posted by the Shop Steward.

Any dispute as to the existence or amount of any delinquency resulting from a truck or equipment supplier's non-compliance shall be settled by the Union, the Employer and/or Contractor, and the truck or equipment supplier as follows:

- (i) Should any controversy, dispute or disagreement arise under this Section 6(D) or Section 7(B) of the Agreement, any party may seek arbitration of the dispute before the Impartial Arbitrator designated hereunder by filing a notice of intent to arbitrate, in writing, with said Impartial Arbitrator and serving a copy of said notice on the Association and Employer and/or Contractor, truck or equipment supplier and/or the Union, as the case may be, by registered or certified mail, return receipt requested. Unless a waiver is

mutually agreed to in writing by the parties hereto, a hearing shall be convened on the first Tuesday of the month immediately subsequent to the filing of the notice of intent to arbitrate, and the Arbitrator shall submit his Award within twenty (20) days after the close of the hearing. The Arbitrator shall have all powers and authority reserved to the Arbitrator under Section 9 of this Agreement. For the duration of this Agreement the Impartial Arbitrator under this subsection shall be Richard Adelman. If Arbitrator Adelman is unable or unwilling to serve for any reason, the parties shall randomly select an arbitrator from Appendix B to serve as Impartial Arbitrator in his stead.

- (ii) The Award of the Arbitrator shall be final and binding upon the parties to the arbitration and to this Agreement.
- (iii) The foregoing does not excuse any party from any statutory, civil or criminal liability which may attach to or result from the failure of such party to comply with Sections 6(D) or 7, or any other part of this Agreement, nor does it excuse any party from any other liability arising out of this Agreement or the Local 282 Funds Trust Agreement as incorporated herein.

The truck or equipment supplier shall pay to the persons or fund entitled thereto the amount of any delinquency arising prior to the Notice Date. The Employer and/or Contractor, and truck or equipment supplier may be held jointly liable and may have to pay to the person or funds entitled thereto the amount of any delinquency arising after the Notice Date.

If the Employer hires trucks or equipment from Owner-Drivers, the following conditions shall prevail:

(1) "Owner-Driver" is defined as a person who owns (or in fact controls) one (1) or more trucks or pieces of equipment, and drives one of the trucks or pieces of equipment, and does not possess the normal attributes of an "Employer" in the industry, or a person driving any of the other trucks or pieces of equipment owned (or in fact controlled) by an Owner-Driver.

(2) The Owner-Driver shall be deemed an Employee of the Employer, and the Employer expressly reserves the right to control the manner, means and details of and by which the Owner-Driver performs his services as well as the ends to be accomplished, in a manner consistent with this Agreement.

(3) Separate checks shall be issued weekly to the Owner-Driver for wages and every two (2) weeks for truck or equipment rental.

(4) If a piece of equipment breaks down during a work day, no rental payment will be made for it during such breakdown, but the Owner-Driver's wages will be paid and he shall be available for work.

(5) The Owner-Driver will receive the same wages provided herein for the Employer's Employees.

(6) Pay will start when the Owner-Driver reports at his place of work and ends when he completes the day's work at his last dumping place.

(7) The Owner-Driver is not entitled to seniority.

(8) Where the originating Employer hires trucks from someone who does not have the normal attributes of an "Employer" in the industry, and included in the trucks which are furnished are those defined as "Owner-Drivers", the originating Employer shall be deemed the employer of the "Owner-Driver" for all purposes.

(E) The Employer shall make contributions to the Welfare, Pension, Annuity & Job Training Funds for an Owner-Driver in the same amounts and at the same time as for his own Employees.

(F) The Employer shall reimburse the Owner-Driver for tolls and shall pay penalties imposed upon the Owner-Driver for overloading and for spillage due to improper loading.

(G) The Owner-Driver who has a grievance may assert it only and exclusively through the Union and not otherwise.

(H) If an Owner-Driver works for a particular Employer every work day during a holiday week, namely four (4) days if the holiday falls on a day other than a Saturday and five (5) days if it falls on a Saturday, the Employer will pay him one day's pay for the holiday.

(I) The Employer will not participate in any fashion, scheme, device or plan (either directly or indirectly through relatives, business associates for employees) to defeat the terms and intent of this Section.

(J) "Trucks and equipment" shall include the following: trucks, tractors, trailers, euclids, turnapulls and other equipment within the jurisdiction of Local 282.

(K) No Employer shall send his trucks out of the jurisdiction of Local 282 unless he has no work for same, or unless undue hardship would result.

(L) When specialized work is subcontracted to a recognized specialized subcontractor, which is the only form of subcontracting permitted by this Agreement, the said subcontractor must utilize its own equipment for such work to the extent substantially of the number of pieces of equipment owned by the subcontractor on July 1, 1966, and then

the subcontractor must utilize available, suitable equipment of the contractor before securing equipment from others or using any excess equipment secured by the subcontractor after July 1, 1966.

(M) The seller who delivers materials shall use its own available, suitable equipment first and then use the buyer's available, suitable equipment before it secures equipment from others.

(N) The Seller who is within the City of New York, Nassau or Suffolk Counties who delivers material shall use its own available, suitable equipment first and then use the Buyer's available, suitable equipment, who is within the City of New York, Nassau or Suffolk Counties, before it secures equipment from others.

SECTION 7. SUBCONTRACTING.

For any subcontracted work on the site, or work subcontracted by or through a subcontractor on the site, the Employer will also:

(A) Submit monthly reports of all hours worked for each Employee, in all classifications covered by this Agreement, whether that work is performed by an Employee of the Employer or an Employee of a subcontractor, or any subcontractor of a subcontractor;

(B) In the event that any subcontractor, or subcontractor of a subcontractor, fails to pay the wages required by this Agreement, or to make contributions to the Local 282 Welfare, Pension, Annuity & Job Training Funds, Building Fund or Dues Checkoffs, as required by this Agreement, and if the Union, by an Officer, by written notice with report of delivery, notifies the Employer that a truck or equipment supplier is not complying, the Employer shall be responsible for such non-compliance for the period only beginning two (2) working days after the day of receipt of such notice. Should any controversy, dispute or disagreement arise under this Section 7(B), any party may seek arbitration of such dispute in accordance with the provisions set forth in paragraph 6(D) of this Agreement.

(C) To be better able to comply with sections (A) & (B), the Union agrees to supply to the Association a quarterly list of those Employers who have a signed Agreement with the Union and whose contributions to the Funds are current.

SECTION 8. WORK PRESERVATION.

(A) All pick-up trucks and suburbans must be manned by Employees covered by this Agreement who will also load and unload the vehicles they drive, except that the following may drive and load and unload the vehicles they drive:

- (1) Maintenance man, with normal equipment.
- (2) Field engineer, with normal equipment.
- (3) Survey party, with surveyor's equipment.

- (4) Superintendent and Assistant
Superintendent, broom swept.
- (5) Upper echelon management personnel,

- (10) Foreman may drive his crew with the necessary tools to perform the duties assigned, for example, picks, sledge hammers, hand tools, chain saws, generators, tampers, jack hammers, vibrators, and five (5) gallons of appropriate fuel.

(B) Where there is a small, one-stop, separate contract job, to be completed in no more than two (2) work days, where a job yard is not warranted, it is permissible for a foreman to drive a pick-up to make one (1) drop in the morning and one (1) pick-up in the evening with a crew and the following: picks, shovels, crowbars, sledge hammers, hand tools, small chain saws, jack hammer, vibrator, hand generator, and five (5) gallons of appropriate fuel.

(C) **PROVIDED, HOWEVER,** that because of possible difficulty in ensuring uniform enforcement of these provisions, where an Employer has no hauling equipment larger than pick-ups, none of the above exceptions apply.

(D) Each morning the Shop Steward shall be provided with a list of all jobs scheduled for that day.

(E) The Employer further agrees that the transportation by the Employer of persons to a site and/or on a site shall be performed by persons covered by this Agreement, except as specifically provided for in subsections (A) and (B) of this section. This Agreement only covers those who are signatories to this Agreement.

(F) An Employer who violates this Section shall be liable for one day's pay for the driver reporting such violation and one day's pay for any driver who shaped the violating Employer's barn that morning but who did not work. If the matter is submitted to the Panel and a violation is found, the Employer shall be liable for the payment of a minimum of \$100.00 to a recognized charity specified by the Panel, in addition to the other remedies ordered by the Panel.

(G) All trucks on the Employer's job site will have its owner's names and addresses printed thereon.

(H) The Employer agrees that all containers utilized on the job site for removal of excavation material and construction debris shall be delivered and removed by persons covered by this Agreement, and there shall be absolutely no relaying of job site containers. One drop-off and one pick-up only will be permitted in any one working shift. Violation of this provision will entitle a man to a day's pay.

(I) All materials traditionally moved by Employees covered by this Agreement shall continue to be moved by Employees covered by this Agreement.

SECTION 9. SETTLEMENT OF DISPUTES.

(A) Creation of Disputes Panel. A Joint Labor-Management Disputes Panel ("Panel") is hereby created to act as a Board of Arbitration and to hear and determine disputes referred to it, pursuant to the provisions of this Section. Such Panel shall consist of three (3) representatives designated by the Employer's negotiating committee and three (3) representatives designated by the Union, all of whom shall serve without compensation. The Employer representatives shall not include a party to a pending dispute or an official of such party. The representatives of the Union shall not include any business agent directly involved in a pending dispute.

The Panel shall have two (2) Co-Chairmen from among their number, one (1) designated by the Employer members and one (1) designated by the Union members. During the term of this Agreement, the Panel members and Co-Chairmen shall be as set forth in Appendix "A" hereto.

In the event of the resignation or death of a Panel member, or during the time when a Panel member is involved in a dispute pending before the Panel, the Alternate Panel member shall become a member of the Panel in his place and stead and a new Alternate shall be named to fill the vacancy thus created by either the Employer or the Union Panel members, as the case may be.

(B) Jurisdiction of Panel. Any and all complaints, grievances, controversies or disputes between the Union and the Employer in connection with or in relation to this Agreement or concerning the interpretation, application, performance or alleged breach thereof by either of the parties hereto, or by any other party signatory to this Agreement or with respect to any term or condition of employment hereunder, which the parties are unable to settle between them, may, except for disputes concerning discharge of or disciplinary action against an Employee, be submitted for arbitration and final determination to the Joint Labor-Management Disputes Panel created in subdivision "A" hereof.

(C) Power and Duties of the Panel. The Panel shall investigate each and every complaint, grievance or dispute referred to it and is empowered to call witnesses, issue subpoenas and subpoenas duces tecum, engage certified public accountants and, in its discretion on a case by case basis, keep minutes of the hearing. The decision of the Panel in any case, in addition to an award, may include an opinion, and the award may grant mandatory and injunctive relief, damages and such other relief, as the Panel deems appropriate. The Panel may also assess the actual reasonable costs and expenses of the proceeding equally among the parties thereto, or in such other disproportionate manner as it may determine. The decision of the Panel shall be in writing and shall be subscribed and acknowledged by all members concurring in the decision and shall be served on the parties to the dispute.

(D) Presentation of Dispute.

(1) The jurisdiction of the Panel may be invoked by the Union or by any Employer signatory to this Agreement by the service of a written notice upon the Union, if invoked by an Employer, or upon the Panel, if invoked by the Union, which notice shall contain a clear and concise specification of the dispute and identification of the parties involved.

(2) If the Union is unable to resolve a dispute presented by an Employer to the latter's satisfaction within a reasonable time, the Union shall refer such grievance to the Panel, failing which, the Employer may refer it directly to the Panel. Disputes of the Union shall be referred directly to the Panel. The Panel shall hold regular meetings on the first Tuesday of each month or, if such day is a Holiday, on the next business day thereafter. In the event there are no matters scheduled to come before the Panel at a particular monthly meeting, such meeting may be canceled. The Panel, by either Co-Chairman, shall notify all parties thereto of the dispute and of the time and place of the hearing no less than two (2) working days prior to the hearing. Notwithstanding the failure of any party duly notified to appear, the Panel may hear and determine the controversy upon the evidence produced. Each party shall be entitled to be heard, to present evidence and to cross-examine witnesses and shall have the right to be represented by an attorney.

(E) Panel Quorum and Vote.

(1) Four (4) members of the Panel, two (2) from those designated by the Employer and two (2) from those designated by the Union shall constitute a quorum. The Panel may not act in the absence of a quorum. The decision of the Panel shall be considered as final if there is concurrence of at least four (4) members of the Panel.

(2) In the event of the failure of the Panel to fix a time and place for the hearing of the dispute as provided for herein, or if the Panel is deadlocked or fails to reach a decision within ten (10) working days after the first hearing, unless a quorum extends this period for an additional period not to exceed ten (10) working days, the dispute, at the insistence of any party thereto, may be submitted to one of the impartial Arbitrators designated in Appendix "B" (said Arbitrator to be selected as provided therein) for final and binding arbitration. The Arbitrator shall have all the powers granted to the Panel herein.

(F) Discharges and Disciplinary Action.

(1) Should any dispute arise between the Employer and the Union in connection with the discharge of an Employee or disciplinary action taken against an Employee (for just cause only) which cannot be adjusted by the parties themselves, the dispute shall be submitted for arbitration to one of the impartial Arbitrators designated in Appendix "B" (Said Arbitrator to be selected as provided therein). Such notice shall contain a clear and concise statement of the grievance and the arbitration shall proceed, at the direction of the Arbitrator, to final conclusion in accordance with the laws of the State of New York.

(2) In the event of a discharge, the arbitration hearing shall take place within a reasonable time and continue expeditiously and a decision shall be rendered within a reasonable time after the conclusion of the hearing. Unlike a regular Employee, who may be discharged or disciplined immediately, a Shop Steward or On-Site Steward shall not be dismissed (although he need not be assigned to work) until a decision authorizing the same is rendered.

(G) Miscellaneous Provisions.

(1) The parties expressly agree that the oath of the Panel is waived.

(2) All notices required or permitted to be given by this Section, including the decision of the Panel, shall be given by registered or certified mail, return receipt requested; by telegram with proof of service; or by any other method or manner, provided receipt thereof is confirmed by the recipient. Notices shall be addressed to the Union at 2500 Marcus Avenue, Lake Success, New York 11042, and to the Employer at its last known address. Notices to the Panel shall be to the Co-Chairmen at the addresses set forth in Appendix "A" hereto, or as the same may be changed in writing served on the Union from time to time.

(3) All determinations, decisions and awards shall be final, conclusive and binding upon the parties hereto and may be enforced as any other arbitration award in accordance with the laws of the State of New York.

(4) The service of any notice required by the CPLR, but not expressly provided herein, is hereby waived.

(5) In the event that an Employer fails to abide by an award of the Panel or impartial Arbitrator, the Union may take such action as it deems appropriate against the defaulting Employer including a strike; and in the event the Union fails to abide by such an award, the Employer affected may take such action as it deems appropriate, including a lockout.

(6) It is specifically understood and agreed that all the remedies and procedures established herein are exclusive.

(7) Whenever possible, the Panel will announce its decision on the same day a matter is heard.

(8) Any Employee, whether on the seniority list or not, who wishes to make a claim due to an alleged infraction of rules in reference to the Union Agreement, that Employee must first be obligated to show up either the home barn of the Employer or the job site by 8:00 A.M. The Employee must make himself known to supervisory personnel on the job. An Employee who is not on the seniority list of the employer must remain on the job site and be available to work for at least the first four hours of the day.

After July 1, 1997, a claimant must present a valid CDL License and proof that he is a member of the Local 282 Drug Testing Program and that he is eligible, under DOT Drug Testing Regulations, to drive a vehicle.

If the Employer agrees to pay the claim, the claimant must remain on the job site for the remainder of the day.

(9) The parties agree that they will not go to Court to prevent any arbitration or panel hearing.

(10) The parties agree that they will not go to Court to vacate or appeal any arbitration or panel award involving an individual member (e.g. discharge, suspension, wage claim).

A repeat offender may be required by the Panel to pay an additional full day's claim for each violation to the Local 282 Pension Fund, in addition to all other penalties.

(11) To be a valid claim, the claim must be received by the union co-chairman within fifteen days of the alleged occurrence. The employer must receive notification of the claim within 30 days of the alleged violation. All claims, which do not meet these requirements, shall be declared null and void. Said claim must be verified by the job supervisor, or the shop steward if the job super is not available, in writing. This applies to jobs only where there is a job super and/or Shop Steward.

SECTION 10. SHOP STEWARDS AND ON-SITE STEWARDS.

(A) Shop Stewards. There shall be a Shop Steward appointed by the Local Union to see that the conditions of this agreement are not violated by either the Employer or Employees. In case of slack season, he shall be the first man to go to work and the last man laid off. Under no circumstances shall he be discriminated against.

The Shop Steward and On-Site Steward shall receive One Dollar (\$1.00) an hour, in addition to the wage provided in Section 2 hereof, for automobile chauffeurs.

The Shop Steward shall be afforded the opportunity of visiting each of the Employer's job sites within the Union's jurisdiction once a week, except where an On-Site Steward is employed. He shall be provided with a pick-up truck or station wagon for the purpose of these visits.

The Employer will furnish to its Shop Steward a list of all its subcontractors' two (2) weeks before the subcontractors arrive on the job.

Upon a determination by the Union that an Employer has substantially undermined the payment of Wages, Welfare, Pension, Annuity or Job Training Fund Contributions, Dues or Building Fund checkoff and that it would be in the interests of the bargaining unit to appoint a Shop Steward from outside the bargaining unit, the Union may appoint such an

individual as Shop Steward until it determines that substantial compliance with the conditions in the Agreement has been restored.

(B) On-Site Steward.

(1) An On-Site Steward ("OSS") shall be employed where an Employer is contracted to be responsible for, manage or perform (as owner, general contractor, prime contractor, subcontractor or construction manager - however described) work on a construction site, and the total gross cost (excluding land cost and architect fees) of all construction on the site (by whomever performed, and whether or not covered by the Employer's contract) is Thirteen Million Dollars (\$13,000,000.00), effective July 1, 1993. This amount will increase to Thirteen Million, Five Hundred Thousand Dollars (\$13,500,000.00), effective July 1, 1994 and to Fourteen Million Dollars (\$14,000,000.00), effective July 1, 1995.

On large public projects, where bids are let in separate "segments" or bids, the standard of Thirteen Million Dollars (\$13,000,000.00) shall apply to single bid jobs, effective July 1, 1993. This amount will increase to Thirteen Million, Five Hundred Thousand Dollars (\$13,500,000.00), effective July 1, 1994 and to Fourteen Million Dollars (\$14,000,000.00), effective July 1, 1995.

If the job is a multi-shift job, there shall be an OSS for each shift.

(2) On all jobs where the total gross cost of construction, as defined above, is One Hundred and Fifty Million (\$150,000,000) or more, a second OSS shall be employed on the first shift only.

On all jobs bid after July 1, 1996, where the total gross cost of construction as defined above, is one hundred and fifty million dollars (\$150,000,000) or more, a second On-Site Steward shall be employed on the first shift only.

If a job which exceeds the above threshold is a two-shift job, there shall be one OSS on the first shift and one OSS on the second shift

If a job which exceeds the above threshold is a three shift job, there shall be one OSS on the first shift, one OSS on the second shift and one OSS on the third shift

(3) The OSS shall be employed from the start of construction (after preliminary job set up [no line item work involved] has been performed) until the job is completed. The OSS shall not be employed during the performance of punch list inspection and punch list work on the job.

(4) Where the job is a foundation for a building the OSS will be employed only if, under the High-Rise Agreement, an OSS is required and at the dollars amounts set forth therein. The OSS will then be employed and paid for by the Employer under this Agreement until the foundation for the building superstructure or, in the event of

a multi-building project, the first foundation for the building superstructure is completed or when the General Contractor, Subcontractor or Construction Manager under the High Rise Agreement performs any work with its forces on the job, whichever occurs sooner, at which time said General Contractor, Subcontractor or Construction Manager will solely be responsible to pay the OSS.

This provision is only applicable for building foundation work and is not applicable on Heavy Industrial job sites which work under the Heavy Construction and Excavating Contract and Asphalt Contract (i.e. Power Plants, Sewage Plants, Water Pollution Plants, Railroad Grade Crossings, Atomic Power Plants, Subway jobs).

(5) The OSS and any replacement OSS shall be appointed by the Union from the seniority list of the Employer. If the Union replaces the OSS, the Union agrees to hold harmless and indemnify the Employer for any arbitration awards or Court judgments for wages lost by a replaced OSS resulting from the Union's action in replacing said OSS. The OSS shall function as the On-Site Steward. He shall handle all grievances involving the application of this Agreement on the job site. He shall be allowed a reasonable amount of time to conduct Union business consistent with the concept that he is a working Teamster.

(6) The OSS shall work a regular shift. For the purposes of overtime assignments, the OSS's work day shall begin when the first truck starts unloading in the morning and shall finish his day's work when the last truck completes loading at the end of the day on the job site.

(7) The OSS shall be subject to the direction and control of the Employer at all times, consistent with Paragraph 5 herein. The OSS's duties shall include, but are not limited to, the normal duties of a Teamster, the hauling of materials for any Employer or Employers in a vehicle provided by his Employer, and the coordination of safety efforts relating to Teamsters on the site. It is understood that the performance by the OSS of his function under this Agreement, including the driving of a vehicle consistent herewith, shall not subject the Employer to claims by other Employees on the seniority list or lists if they are unemployed.

The OSS shall not deprive Employees on the Seniority list of the Employer, or any other Employer, of their normal work opportunities. As a standard practice, the OSS shall not be used for the transportation of materials between job sites of the Employer. This does not preclude the movement of critical supplies.

On a multi-truck job the On-Site Steward shall not leave the site, except from time to time, the on-site steward may leave the site once a day within reason.

On a single truck job where there is an On-Site Steward employed, the On-Site Steward duties will be mutually defined at a pre-job conference.

Persons, including Shop Stewards and On-Site Stewards, are absolutely forbidden and are without any actual or apparent authority to, in any manner

interfere or threaten to interfere with the operations of any person, including Employer signatories - or Employers that are non-signatories - to any collective bargaining agreement with this Local, without, prior thereto, receiving express approval for such conduct from the Chief Operating Officer of this Local.

An Employee who has been appointed as an OSS shall maintain his position on the seniority list of the Employer he was employed by at the time of his appointment for the duration of his appointment, provided he returns to his Employer within fifteen (15) working days of the termination of his employment.

SECTION 11. SENIORITY.

Seniority shall prevail.

SECTION 12. FEDERAL AND STATE LAW.

Employers shall protect Employees with Worker's Compensation Insurance, Social Security and Unemployment Insurance, as required by the Federal and New York State Law. Men called for military service in any branch of the U.S. Government shall resume seniority with their former Employer when discharged from such service.

SECTION 13. WELFARE, PENSION AND ANNUITY TRUST FUNDS; JOB TRAINING TRUST FUND.

(A) WELFARE - The Employer shall contribute for each hour worked:

Effective	July 1, 2002	July 1, 2003	July 1, 2004

*If the above increases in the contribution rates are not required, then the increases that are not required shall be applied to the wages of the Employees.

(B) PENSION - Effective July 1, 2002, the Employer shall contribute Five Dollars (\$5.00) to the Local 282 Pension Trust Fund ("Pension Fund") for each hour worked under this Agreement, during the regular workweek (Monday-Friday), up to a maximum of forty (40) hours. Effective July 1, 2003, the hourly contribution rate shall be increased to Five Dollars and Thirty-Five Cents (\$5.35). Effective July 1, 2004, the hourly contribution rate shall be increased to Five Dollars and Seventy Cents (\$5.70). Effective July 1, 2005, the hourly contribution rate shall be increased to Six Dollars and Ten Cents (\$6.10).

Effective July 1, 2004, the hourly contribution rate shall be increased to Six Dollars and Twenty-Five and One-Quarter Cents (\$6.2525). Effective July 1, 2005, the hourly contribution rate shall be increased to Seven Dollars and Five and One-Quarter Cents (\$7.0525).

For each hour paid at a premium rate, the Employer will make the contribution to the Annuity Fund at the applicable premium rate.

(E) **JOB TRAINING TRUST FUND** – The Employer shall contribute Ten Cents (\$.10) per hour to the Local 282 Job Training Trust Fund ("Job Training Fund") for every hour paid for, up to a maximum of forty (40) hours per Employee per week, effective July 1, 1993.

(F) Payments to the Welfare, Pension, Job Training and Annuity Funds shall be made for all pay periods ending within a calendar month forty-five (45) days after the close of that calendar month. Payment forms shall be furnished by the Funds prior to the fifth (5th) day of each month.

An Employer who fails to make payment to the Welfare, Pension, Annuity or Job Training Funds, Dues or Building Fund Checkoff when due, shall be subject to all the remedies set forth in Section 502(g)(2) of ERISA.

(G) The Trust Agreements governing the Local 282 Welfare, Pension, Annuity and Job Training Trust Funds, as they shall be amended from time to time, are hereby made a part of this Agreement with the same force and effect as if fully incorporated herein, and the Employer and the Union hereby agree that upon the execution of this Agreement they shall be deemed parties to said Trust Agreements. Failure of the Employer to make payments of said contributions promptly when due shall authorize the Union to take immediate economic action against the Employer, without waiting for arbitration, notwithstanding any other provisions in this Agreement. Before any action is taken by the Union or its members, the Employer shall be entitled to notice in writing by certified or registered mail, return receipt requested, giving him an opportunity to make his payments within five (5) days and, if he fails to make the payments, then the foregoing procedure may be followed by the Union or the Employees. Those Employees who would have worked but for the economic action shall be paid their wages and fringes by the Employer.

(H) Any Employer, including Joint Ventures, which became, or becomes, a contributor to the Local 282 Pension Trust Fund on or after June 30, 1982 will have no withdrawal liability, except that computed solely with reference to any changes in the unfunded vested benefits under this Plan for Plan Years ending on or after June 30, 1982, in which said Employer was required to contribute to the Local 282 Pension Trust Fund.

SECTION 14. SURETY BOND.

(A) A member of the General Contractors Association whose records have been audited by the Funds' Auditors and the most recent audit does not show a material discrepancy shall not be required to post a bond. Thereafter, if said Employers records are audited by the Funds' Auditors and the audit shows a material discrepancy, The Employer shall be required to post a bond as set forth in this section.

Any member of the G.C.A. whose records have never been audited by the funds shall be required to post a bond as set forth in his section.

An Employer affiliated by common ownership or through a joint venture with a member of the G.C.A. shall not be required to post a bond under this section unless the affiliated Employer is required to post a bond under this section.

Any Employer who has not posted a Surety Bond, and is not in compliance with this Section 14 - Surety Bond, shall pay all benefits (Pension, Annuity, Building Fund, Vacation Fund, Dues Checkoff and Heavy Construction Industry Fund) on a weekly basis.
